

Help Us Build Brighter Futures: Support Progress School Centre in Tanzania

About Us:

Welcome to Progress School Centre, a rising star of education in Arusha, Tanzania. Since our humble beginnings in 2012, we've been on a mission to provide quality education to the children of our community. Since 2016, we've grown from small beginnings to an official institution, offering classes to students aged 2 to 19 years old.

Our Vision:

We are excited to be starting a new chapter: the expansion of Progress School Centre to include a Primary School. With a property of 250 meters by 75-meter, we are ready to begin this journey. Our goal is ambitious but with your help is absolutely attainable. We wish to establish a fully operational Primary School within the next five years, culminating in Standard 6 certificates within the next 10 years. The government is providing a planning outline but it is up to us to fund the project.

Language of Instruction:

At Progress School Centre, we believe in nurturing young minds in a supportive and inclusive environment. We prioritize a balanced approach to language instruction, starting with a solid foundation in Kiswahili, Tanzania's national language, while introducing English early on. This holistic approach ensures that our students not only excel academically but also become confident and adaptable individuals ready to thrive not just in Tanzania but also in today's globalized world.

Current Attendance and Tuition Fees:

The current heartbeat of our school are local children under 6 years old, who receive education at absolutely no cost to their families. We dedicate 4-5 hours each school day providing them with educational nourishment, supplemented by a midday snack for their physical well-being. However, as our school grows, the reality of tuition fees becomes apparent. Older children attend on a tuition basis, with fees set at \$15 a month. While this covers basic needs, it falls short of supporting the ambitious growth and expansion of our school.

Key Improvements Needed:

- School Uniforms: \$640
- Security Fence and Gate: \$961
- Separate Classrooms: \$466
- Playground Maintenance: \$650
- Painting and Redesign: \$640
- School Bus: \$7500
- Registrations and Permits: \$1473

Total Estimated Cost: \$12,330

How You Can Help:

To kickstart this journey, we are focusing on something truly special to the students and families: school uniforms! School uniforms in Tanzania promote a sense of belonging and pride among students, regardless of their socioeconomic background. Imagine the joy on our students' faces as they proudly wear their uniforms, symbolizing unity and the promise of a brighter future at Progress School Centre.

Join Us in Building Brighter Futures:

Together, let's turn dreams into reality and empower the next generation of leaders, thinkers, and innovators. Your support is more than a donation; it's an investment in the future of Tanzania. Every contribution, no matter the size, brings us one step closer to our vision of a world where every child has access to quality education.
